## Senior Term Loan Facility Agreement

On March 11, 2020, Wanda Sports Group Company Limited (the “Company”) entered into a senior term loan facility with Credit Suisse AG, Singapore Branch, as arranger, facility agent and security agent (the “CS Facility”), under which the Company may borrow up to US\$240 million. The CS Facility provides for loans (“Loans”) in two tranches (Tranche A, for US\$230 million and Tranche B, for US\$10 million).

In the CS Facility agreement, the use of the proceeds mainly includes:

- refinancing the existing financial indebtedness of the Company, which was effected on March 11 (the “Utilization Date”);
- funding the payment of accrued interest and other sums payable under the existing financial indebtedness of the Company; and
- funding the payment of fees, costs, expenses and interest incurred or payable by the Company or any subsidiary in connection with the Loans.

Interest on the Loans is equal to LIBOR (as defined) plus a margin that increases each month from the date the Utilization Date from 3.00% per annum in the first month to 11.00% per annum in the twelfth month, payable monthly.

The CS Facility contains:

- certain financial covenants, including a net debt/adjusted EBITDA leverage ratio covenant (which may not exceed 5.00x);
  - customary events of default;
  - a change of control clause triggered when (i) Mr. Wang Jianlin and his family members (taken together) cease to be, directly or indirectly, the single largest beneficial shareholder of the Dalian Wanda Group Co., Ltd. (the “Parent”); (ii) the Parent ceases to beneficially own (directly or indirectly) 100% of the issued share capital of any of Wanda Sports & Media and Infront International, or ceases to control any of Wanda Sports & Media and Infront International; or (iii) the Parent ceases to beneficially own (directly or indirectly) 60% of the issued share capital of the Company, or ceases to control the Company;
  - customary covenants, including restrictions on incurring additional indebtedness, making restricted payments (including dividends and other distributions), selling or otherwise disposing of assets, making acquisitions, entering into mergers or corporate reconstructions, entering into transactions that are not on arm's length terms and a negative pledge; and
  - a mandatory prepayment provision as to 50% of the outstanding Loans, triggered if an agreement for the sale of 100% of the shares of Wanda Sports Holdings (USA) Inc. (“WSH”), which is a holding company for The IRONMAN Group, or a sale of all or substantially all of the assets of WSH (a “Disposal”), is not signed by the last day of the eighth month after the Utilization Date. In the event the Disposal is consummated, the
-

proceeds thereof will be applied to repay the CS Facility. There can be no assurance that a Disposal will occur or, if it does, as to the timing of the signing of such agreement or the consummation of such Disposal.

Certain events of default and covenants in the CS Facility are subject to certain thresholds and exceptions. The Company will be incurring fees in connection with the CS Facility, including an upfront fee and a sliding scale subsequent fee tied to the month in which the Loans are fully repaid (ranging from US\$2.2 million to US\$4.7 million). The Loans are guaranteed by the Parent.
