This Schedule 13D represents the initial statement on Schedule 13D jointly filed by the persons listed in Item 2 below (the “Reporting Persons”) as a result of the entry by one of the Reporting Persons, Wanda Sports & Media (Hong Kong) Holding Co. Limited (the “Purchaser”), into the Standstill Agreement (as defined in Item 4 below) on December 22, 2020. However, each Reporting Person expressly disclaims beneficial ownership of any Shares beneficially owned by the Associates, and does not affirm membership in a “group” (within the meaning of Rule 13d-5(b) under the Act) with the Associates, and this Schedule 13D should not be construed as acknowledging that any of the Reporting Persons beneficially owns any Shares directly or indirectly held by the Associates or is a member of a group with the Associates.

Item 3. Source and Amount of Funds or Other Consideration.

No securities were purchased by the Reporting Persons in connection with the transaction giving rise to the filing of this Schedule 13D and thus no funds were used by any of the Reporting Persons for such purpose.

Item 4. Purpose of Transaction.

On December 23, 2020, the Purchaser commenced, as part of a going private transaction, a tender offer to purchase all of the issued and outstanding Class A Ordinary Shares, including all Class A Ordinary Shares represented by ADSs, for \$1.70 in cash per Class A Ordinary Share, or \$2.55 in cash per ADS (the "Offer Price"), without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase, filed by Purchaser with the SEC on December 23, 2020 (the "Offer to Purchase"), and the related letter of transmittal for Class A Ordinary Shares (the "Share Letter of Transmittal") and the related letter of transmittal for ADSs (the "ADS Letter of Transmittal"), which, together with any amendments or supplements, collectively constitute the "Offer."

The purpose of the Offer is to acquire a sufficient number of Class A Ordinary Shares (including Class A Ordinary Shares represented by ADSs) such that there are fewer than 300 holders of Class A Ordinary Shares of record, thereby allowing the Issuer to deregister its Class A Ordinary Shares under Section 12(g)(4) of the Act, and suspend its reporting obligations under the Section 15(d) of the Act (the "SEC Deregistration").

The board of directors of the Issuer has approved the termination (the "Deposit Agreement Termination") of the Deposit Agreement under which the ADSs were issued (the "Deposit Agreement") and has approved the delisting of the ADSs from the Nasdaq Global Select Market (the "Delisting," and together with the Deposit Agreement Termination, the "Deposit Agreement Termination/Delisting"), which will be effective upon, or shortly after, the Deposit Agreement Termination. The Issuer has instructed the depository bank under the Deposit Agreement (the "Depository") to send a notice on or after December 23, 2020, notifying ADS holders of the Deposit Agreement Termination, to be effective January 29, 2021. On or after March 1, 2021 (the "ADS Cancellation Deadline"), the Depository may sell any Class A Ordinary Shares then held by it in one or more Depository Sales (as described below).

The Purchaser expressly reserves the right, in its sole discretion, to initiate, immediately after the expiration of the Offer and acceptance of tendered Class A Ordinary Shares and ADSs, a subsequent offering period in accordance with Rule 14d-11 under the Exchange Act. During such subsequent offering period, the Purchaser will immediately accept and promptly pay for all validly tendered ADSs in the amount equal to the Offer Price. The application of cancellation fees payable to the Depository and/or stamp duty on transfer of Class A Ordinary Shares during the initial offer period will apply likewise to any subsequent offering period, and any reference to the Offer or the offer period in the Offer to Purchase would also include a reference to any such subsequent offering period, if applicable.

Following the Deposit Agreement Termination Date, the Depositary will no longer provide any other services in respect of the ADSs, including registration of any transfers of ADSs. However, following the Deposit Agreement Termination Date and through March 1, 2020 (the “ADS Transition Period”), each ADS holder will continue to be entitled, subject to the terms and conditions of the Deposit Agreement and subject to any Depositary Sale (as described below), to surrender ADSs and withdraw Class A Ordinary Shares, upon payment by the holder of a cancellation fee of \$0.05 per ADS payable to the Depositary and Hong Kong stamp duty of 0.2% of the value of the underlying Class A Ordinary Shares (a “Surrender/Withdrawal”). Other than through a Surrender/Withdrawal, an ADS holder will not receive any underlying Class A Ordinary Shares.

Following the expiration of the ADS Transition Period, an ADS holder will still be able to effect a Surrender/Withdrawal to the extent the Depositary has not sold all Class A Ordinary Shares represented by ADSs in a Depositary Sale. To the extent that any Class A Ordinary Shares have been sold in Depositary Sales, a Surrender/Withdrawal will result in the distribution of Class A Ordinary Shares and a pro rata distribution of cash proceeds (as described above) of such Depositary Sales.

Following the expiration of the Offer and the Deposit Agreement Termination/Delisting, the Purchaser envisions various possible scenarios to acquire remaining outstanding Class A Ordinary Shares (including Class A Ordinary Shares that had been represented by ADSs), depending upon whether or not Class A Ordinary Shares (including Class A Ordinary Shares represented by ADSs) acquired by the Purchaser during the offer period constitute not less than 90% in number of the total issued and outstanding Class A Ordinary Shares to which the Offer relates (including Class A Ordinary Shares represented by ADSs, but excluding the one Class A Ordinary Share owned by the Purchaser and Class A Ordinary Shares represented by ADSs owned by certain unaffiliated holders of ADSs (the “Associates”)) (the “90% Threshold”).

- If the Offer is completed and the 90% Threshold has been met, the Purchaser intends to undertake a compulsory acquisition under Hong Kong law of the remaining Class A Ordinary Shares that are not owned by the Purchaser or the Associates, pursuant to which it would be entitled and bound to acquire from each remaining holder other than the Associates, upon expiration of two months after the date of notice is given, all Class A Ordinary Shares then held by such holder. Upon successful completion of the Compulsory Acquisition, Purchaser would own, directly or indirectly, 100% of the Class A Ordinary Shares (other than Class A Ordinary Shares held by the Associates).
- If the Offer is completed, however, without the 90% Threshold being met, with respect to any ADSs that have not been surrendered for cancellation during the ADS Transition Period in a Surrender/Withdrawal, the Depositary may, after the expiration of the ADS Transition Period and in accordance with the terms of the Deposit Agreement, sell any remaining Class A Ordinary Shares then held by it (which are represented by any ADSs that have not been surrendered for cancellation) in one or more transactions (each a “Depositary Sale”) and after a Depositary Sale may hold uninvested the net proceeds of any such Depositary Sale, together with any other cash then held by it under the Deposit Agreement, in an unsegregated account and without liability for interest for the pro rata benefit of the holders whose ADSs have not theretofore been surrendered for cancellation. The Depositary would promptly remit the proceeds of any Depositary Sale, net of a cancellation fee of \$0.05 per ADS payable to the Depositary and Hong Kong stamp duty of 0.2% of the value of the underlying Class A Ordinary Shares (of which 0.1% of the value of the underlying Class A Ordinary Shares would be borne by the purchaser of Class A Ordinary Shares in the applicable Depositary Sale), to the holders of ADSs then outstanding through the payment mechanism of the Depositary Trust Company.

Any Depositary Sale would be at the sole discretion of the Depositary. Purchaser has indicated to the Depositary that it would be willing to purchase Class A Ordinary Shares in any Depositary Sale that the Depositary elects to undertake, at the Offer Price (without interest and subject to applicable fees and taxes).

- If the Offer is completed without meeting the 90% Threshold, and taking into account any Depositary Sales, there remain 300 or more Class A Ordinary Shares of record, Purchaser may cause the Company, following completion of the Deposit Agreement Termination/Delisting, to effect a share consolidation (the “Share Consolidation, and, together with the Compulsory Acquisition and any Depositary Sale, as applicable, the “Second Step Options”) to reduce the number of holders of Class A Ordinary Shares of record to below 300.
-

The Share Consolidation would be subject to approval by the shareholders of the Company at an extraordinary general meeting of shareholders of the Company (a "General Meeting"). The Purchaser would control sufficient votes on its own to convene a General Meeting and to approve the Share Consolidation.

As a result of the Share Consolidation, each then outstanding Class A Ordinary Share would be converted into a fraction of a Class A Ordinary Share based on a share consolidation ratio to be determined separately by the Company and as necessary to reduce the number of holders of record of Class A Ordinary Shares to below 300. Holders of Class A Ordinary Shares who would own less than one Class A Ordinary Share following the Share Consolidation would no longer be shareholders of the Company and would receive a cash payment from the Purchaser, for the fractional Class A Ordinary Shares they otherwise would hold, and holders of Class A Ordinary Shares who would hold more than one Class A Ordinary Share following the completion of the Share Consolidation would remain shareholders of the Company after the Share Consolidation and would receive a cash payment from the Purchaser, for the fractional Class A Ordinary Shares they otherwise would hold. Payments for fractional shares would be equal to the Offer Price (*i.e.*, the Offer Price multiplied by the number of Class A Ordinary Shares held immediately prior to the Share Consolidation corresponding to what otherwise would have been fractional shares), without interest and subject to Hong Kong stamp duty of 0.2% of the value of the fractional shares (of which 0.1% of the value of the fractional shares would be borne by the Purchaser). Class B Ordinary Shares would be consolidated at the same consolidation ratio. Should it decide to pursue a Share Consolidation, Purchaser will discuss with the Depositary potential alternatives with respect to the outstanding ADSs.

If there are fewer than 300 holders of Class A Ordinary Shares of record, including any Class A Ordinary Shares not sold in the Offer and any Class A Shares delivered in a Surrender/Withdrawal, before or after the Share Consolidation, and after giving effect to any Depositary Sale, Purchaser intends to cause the Company to undertake the SEC Deregistration.

In connection with the Offer, on December 22, 2020, the Purchaser entered into an agreement (the "Standstill Agreement") with certain unaffiliated holders of ADSs (the "Associates") pursuant to which each of the Associates has agreed with Purchaser:

- to withdraw Class A Ordinary Shares prior to the expiration of the Offer by surrendering its ADSs under the Deposit Agreement in return for the underlying Class A Ordinary Shares (with the ADS cancellation fee of \$0.05 per ADS payable to the Depositary borne by Purchaser); and
- to not accept the Offer with respect to any ADSs or Class A Ordinary Shares owned or acquired (whether or not pursuant to the Standstill Agreement) by it (or any interest therein), or sell or transfer any ADSs or Class A Ordinary Shares or interest therein or enter into any agreement or understanding with respect to any such sale or transfer prior to the expiration of the Offer.
